UP YOUR GLACIER GAME

Shaped by the staggering force of massive glaciers millions of years ago, Alaska's Inside Passage awes explorers with miles and miles of wildlife-dotted fjords, tide water glaciers, and vibrant forest scenery along the Pacific coast. Immerse yourself in spectacular views in every direction as you sail through this panoramic powerhouse.

CATCH THRILLS AT KETCHIKAN

Ketchikan sits at the southern end of Alaska's Inside Passage — a gateway to the wild landscapes and seascapes of Misty Fjords National Monument. The canned salmon capital of the world, it's a hub for fishing and outdoor sports.

VENTURE INTO THE HEART OF ALASKA

Extend your holiday into Alaska's interior on a multi-day Cruisetour, offered before or after your Ovation® cruise. Discover The Last Frontier alongside local Adventure Guides, or explore Denali National Park, where you'll marvel at North America's tallest peak. Along the way, rest up in authentic, cozy lodges nestled into the expansive landscape and venture into Alaska's untamed wilderness on the trip of a lifetime.

TAKE ON THE BOLD RUSH

Once the starting point for gold stampeders heading for the promised land of the Yukon, Skagway symbolises the spirit of Alaska. And now — it's your turn to hunt for bold. Embark on the trail of the fortune seekers on a vintage train ride with dramatic, sweeping views at every turn.

MOUNTAIN PEAKS & MIDNIGHT SUN

Sitka truly offers the best of Alaska. Its small-town appeal stems from a unique blend of Russian, Tlingit and American history. This is off-the-path Alaska, where you can kayak Sitka Sound alongside swimming sea otters or fly-fish for the world's biggest halibut. In Sitka the midnight sun never sets on adventure.

WHAT JUNEAU ABOUT ADVENTURE?

You can't get to Juneau easily without a sprint by air or by sea. But once you arrive, you'll find majestic views and rich culture in every corner. With its snowcapped mountains, misty rainforests and bounty of wildlife, Alaska's remote state capital is the perfect place to dive into nature.

QUANTUM CLASS

Go scenery scoping from the unrivalled perspective of the North Star®, the highest vantage point on any cruise ship. Gaze at brilliant blue glaciers and majestic waterfalls from the pool deck, and relax in the indoor adults-only Solarium while the scenery glides by. Then refuel with delicious, globally inspired dishes as fresh as the crisp mountain air outside. And in between adventures onshore, fill each sea day with thrilling activities like surf sessions on the FlowRider®, simulated skydiving on RipCord® by iFLY® and so much more.
